

38th Annual Arts Awards | Phenomenal Women
New Haven Lawn Club
December 7, 2018 | 11am -1:30pm

This year, The Arts Council of Greater New Haven will celebrate **Phenomenal Women** who have and continue to shape our diverse and creative ecosystem at our 38th Annual Arts Awards. The Arts Awards is our signature long-standing event that not only benefits The Arts Council but also helps applaud and lift the vital contributions of our incredibly talented and dedicated community members who help strengthen our neighborhoods, organizations, and citizens that enrich our region.

Leading the group of Phenomenal Women awardees (to be nominated by the community and selected by an independent jury in September) will be Congresswoman Rosa DeLauro, who is set to receive the C. Newton Schenck III Award for Lifetime Achievement in and Contribution to the Arts given to an individual who has spent their career embracing and endorsing the arts. Rosa's enduring advocacy for women's rights and the arts on the local and national stages is emblematic of this theme.

Rosa and the awardees will formally receive their awards at this year's luncheon taking place at the New Haven Lawn Club on Friday, December 7 from 11am-1:30pm. We ask that you **please consider supporting Congresswomen Rosa DeLauro and the rest of our awardees during this year's Arts Awards through the gift of sponsorship.**
