

## **A Funk and Soul Medley**

By Chyla Bright

It's A LOVELY DAY, so WHAT'S GOING ON in these streets?

LET'S STAY TOGETHER, no time to wonder, the feeling is too sweet.

When the music starts, a SHINING STAR appears on the scene.

I'LL BE THERE for you, just like SIR DUKE on the music machine.

We found our BOOGIE WONDERLAND, so AIN'T NO STOPPIN' US NOW.

A LOVE ROLLERCOASTER ride of funk that can't be stopped somehow.

So PICK UP THE PIECES, DANCE WITH ME, and PLAY THAT FUNKY MUSIC loud.

Forget the worries of yesterday, and GET DOWN ON IT with the crowd.

GOT TO BE REAL about this feeling, it's so very true.

A funky BRICK HOUSE in a perfect world, a vibe that's fresh and new.

No time to be LE FREAK on the dance floor, just be yourself and see.

That together we're all a part of this, because WE ARE FAMILY.
